

## Curriculum Vitae

**Marta Fadda, Ph.D.**

E-mail: [marta.fadda@usi.ch](mailto:marta.fadda@usi.ch); Phone: (+41) 058 666 49 63; Skype: faddamarta; Twitter: martafadda; ORCID: 0000-0003-3537-0346

### Education

2021-2023	MBE	Master of Bioethics (expected) Harvard Medical School (HMS), Harvard University
2013-2017	Ph.D.	Health Communication; Summa cum Laude Institute of Communication and Health, Università della Svizzera italiana
2009-2010	M.A.	Near and Middle Eastern Studies School of Oriental and African Studies (SOAS), University of London
2006-2009	B.A.	European and Non-European Languages and Cultures; Summa cum Laude University of Cagliari

### Current position

Since 05/2019 Postdoctoral Researcher and Lecturer  
Institute of Public Health, Faculty of Biomedical Sciences, Università della Svizzera italiana

### Previous positions

09/2018 – 04/2019	Clinical Trial Coordinator Oncology Institute of Southern Switzerland (IOSI), Ente Ospedaliero Cantonale
09/2017 – 08/2018	Postdoctoral Researcher Department of Health Sciences and Technology (D-HEST), ETH Zurich
09/2013 – 08/2017	Ph.D. Candidate and Teaching Assistant Institute of Communication and Health (ICH), Università della Svizzera italiana
06/2015 – 07/2015	Visiting Researcher Faculty of Education, Department of Psychology, University of Erfurt

### Teaching activities

09/2020 - present	<b>Biomedical ethics</b> Lecturer, Master of Medicine, Università della Svizzera italiana
	<b>How to write and publish a scientific paper</b> Tutor, various PhD degrees, Università della Svizzera italiana
09/2019 - present	<b>Qualitative research methods in public health</b> Lecturer, MSc in Communication, Management and Health, Università della Svizzera italiana and MSc in Cognitive Psychology in Health Communication, Università della Svizzera italiana
01/2015 – 07/2017	<b>Theories and models in the communication sciences</b> Teaching Assistant and Seminar Lecturer, BA Communication Sciences, Università della Svizzera italiana
01/2014 – 07/2017	<b>Research methods in the communication sciences</b> Teaching Assistant, Course and Seminar Lecturer, BA Communication Sciences, Università della Svizzera italiana
09/2013 – 01/2014	<b>Health communication</b> Teaching Assistant, MSc in Communication, Management and Health, Università della Svizzera italiana

### Individual scientific reviewing activities

Ad-hoc reviewer for the following journals: PLOS ONE, Journal of Health Psychology (SAGE), Journal of Experimental Psychology: Applied (American Psychological Association), Computers in Human Behavior (Elsevier), Journal of Medical Internet Research (JMIR), Vaccine (Elsevier), Human Vaccines and Immunotherapeutics (Taylor & Francis), Patient Education and Counseling (Elsevier), BMJ Open, Health Communication (Routledge), Journal of Health Organization and Management (Emerald), Chinese Journal of Communication (Taylor and Francis), Annals of Public Health Reports (The Scientific Pages), Health Promotion International (Oxford University Press), European Journal of Pediatrics (Springer), International Journal of Public Health, Public Health Reviews

### Editorial services

2020-2021 Bioethica Forum – Editorial board member

### Prizes and awards

2020	KZS Fund; Swiss Academy of Medical Sciences (SAMW) Scientific Exchange grant; Swiss National Science Foundation (SNSF)
2019	Scientific Exchange grant; Swiss National Science Foundation (SNSF) Conference travel grant; Swiss Academy of Humanities and Social Sciences (SAGW)
2015	Shadowing program grant; Equal Opportunities Service, Università della Svizzera italiana
2014	Conference travel grant; Swiss Academy of Humanities and Social Sciences (SAGW)
2009	Best graduate student grant; University of Cagliari

## Publications in international peer-reviewed scientific journals

1. Merlo F, Malacrida R, Hurst-Majno S, Bassetti CLA, Albanese E, **Fadda M** (under review). Physicians' decision-making when managing pediatric patients with prolonged disorders of consciousness: A qualitative study.
2. **Fadda M**, Camerini AL, Fiordelli M, Corna L, Levati S, Amati R, Crivelli L, Albanese E, Suggs LS (under review). Why vaccinate against COVID-19? A population-based survey in Switzerland.
3. Morese R, Gruebner O, Sykora M, Elayan S, **Fadda M**, Albanese E (under review). Detecting Suicide Ideation in the Era of Social Media: A Population Neuroscience Perspective.
4. **Fadda M**, Sykora M, Elayan S, Puhan MA, Naslund JA, Mooney SJ, Albanese E, Morese R, Gruebner O (under review). Ethical issues of collecting, storing, and analyzing geo-referenced tweets for mental health research.
5. **Fadda M**, Albanese E, Suggs SL (in press). Older adults' willingness to vaccinate against Covid-19: A qualitative study. *Vaccine*: X.
6. Merlo F, Lepori M, Malacrida R, Albanese E, **Fadda M** (in press). Physicians' acceptance of triage guidelines in the context of the COVID-19 pandemic: A qualitative study. *Frontiers in Public Health*.
7. Falvo I, Caiata-Zufferey M, Albanese E, **Fadda M** (2021). Lived experiences of older adults during the first COVID-19 lockdown - a qualitative study. *PLoS ONE* 16(6): e0252101. doi: 10.1371/journal.pone.0252101
8. Merlo F, Lepori M, Malacrida R, Albanese E, **Fadda M** (2021). Physicians' acceptance of the Swiss Academy of Medical Sciences guidelines "COVID-19 pandemic: triage for intensive-care treatment under resource scarcity". *Swiss Medical Weekly*: 151:w20472. doi: 10.4414/smw.2021.20472
9. Falvo I, Fiordelli M, Amati R, Falvo I, Ibnidris A, Albanese E, **Fadda M** (2021). Participants' comprehension of the informed consent in an epidemiological study on dementia: A qualitative study. *Frontiers in Psychiatry* 2:656822. doi: 10.3389/fpsy.2021.656822
10. Fiordelli M, **Fadda M**, Amati, R., Albanese, E (2021). Older adults' motivations to participate or not in epidemiological research. Qualitative inquiry on a study into dementia in Switzerland. *PLoS ONE* 16(2): e0247141. <https://doi.org/10.1371/journal.pone.0247141>
11. Ortenzi F, Albanese E, **Fadda M** (2020). A transdisciplinary analysis of COVID-19 in Italy: The most affected Country in Europe. *International Journal of Environmental Research and Public Health*, 17 (9488):1-12.
12. Aebi NJ, De Ridder D, Ochoa C, Petrovic D, **Fadda M**, Elayan S, Sykora M, Puhan MA, Naslund J, Mooney S, Gruebner O (2020) Can Big Data be used to monitor the mental health consequences of COVID-19? *International Journal of Public Health*.
13. West EA, Anker D, Amati R, Richard A, Wisniak A, Butty A, Albanese E, Bochud M, Chiolerio A, Crivelli L, Cullati S, d'Acremont V, Epure AM, Fehr J, Flahault A, Fornerod L, Frank I, Frei A, Michel G, Gonseth S, Guessous I, Imboden M, Kahlert CR, Kaufmann L, Kohler P, Möslin N, Paris D, Probst-Hensch N, Rodondi N, Stringhini S, Vermes T, Vollrath F, Puhan MA. (2020). **Corona Immunitas Research Group (part of group)**. Corona Immunitas: study protocol of a nationwide program of SARS-CoV-2 seroprevalence and seroepidemiologic studies in Switzerland. *International Journal of Public Health*. doi: 10.1007/s00038-020-01494-0. Epub ahead of print. PMID: 33098441; PMCID: PMC7584867.
14. **Fadda M**, Chappuis PO, Katapodi MC, Pagani O, Monnerat C, Membrez V, Unger S, Caiata-Zufferey M. (2020). Physicians communicating with women at genetic risk of breast and ovarian cancer: are we in the middle of the ford between contradictory messages and unshared decision making? *PLOS One*.
15. **Fadda M**, Fiordelli M, Amati, R., Falvo, I., Ibnidris, A., Hurst, S., Albanese, E. (2020). Returning individual-specific results of a dementia prevalence study: insights from prospective participants living in Switzerland. *International Journal of Geriatric Psychiatry*.
16. **Fadda M**, Albanese E, Suggs SL (2020). When a COVID-19 vaccine is ready, will we all be ready for it? *International Journal of Public Health*, 11, 1–2. doi: 10.1007/s00038-020-01404-4
17. van Haasteren A, Gille F, **Fadda M**, Vayena E (2019). Development of the mHealth app trustworthiness checklist. *Digital Health*, 5, 1-21.
18. Haeusermann T, **Fadda M**, Blasimme A, Greshake B, Vayena E (2018). Genes wide open: open data sharing and the social gradient of genomic privacy. *AJOB Empirical Bioethics*, 1-15. doi: 10.1080/23294515.2018.1550123.
19. Camerini AL, Diviani N, **Fadda M**, Schulz PJ (2018). Using protection motivation theory to predict intention to adhere to official MMR vaccination recommendations in Switzerland. *Social Science and Medicine Population Health*, 7, 005-5. doi: 10.1016/j.ssmph.2018.11.005.
20. **Fadda M**, Jobin A, Blasimme A, Greshake Tzovaras B, Price Ball M, Vayena E (2018). User perspectives of a web-based data-sharing platform (Open Humans) on ethical oversight in participant-led research: Protocol for a quantitative study. *JMIR Research Protocols*, 7(11), e10939. doi: 10.2196/10939.
21. Blasimme A, **Fadda M**, Schneider M, Vayena E (2018). Data sharing for precision medicine: An analysis of current policy guidelines. *Health Affairs*, 37(5), 702-709. doi: 10.1377/hlthaff.2017.1558.
22. **Fadda M**, Galimberti E, Fiordelli M, Schulz PJ (2018). Evaluation of a smartphone-based intervention to increase parents' knowledge about the MMR vaccination and their psychological empowerment: A mixed method approach. *JMIR Mhealth Uhealth*, 6(3), e59. doi: 10.2196/mhealth.8263.
23. **Fadda M**, Galimberti E, Fiordelli M, Romanò L, Zanetti A, Schulz PJ (2017). Effectiveness of a smartphone app to increase parents' knowledge and empowerment in the MMR vaccination decision: A randomized controlled trial. *Human Vaccines & Immunotherapeutics*, 13(11), 2512-2521. doi: 10.1080/21645515.2017.1360456.
24. **Fadda M**, Galimberti E, Romanò L, Zanetti A, Faccini M, Senatore S, Schulz PJ (2017). Validation of a scale to measure parental psychological empowerment in the vaccination decision. *Journal of Public Health Research*, 6(2), 955. doi: 10.4081/jphr.2017.955.
25. **Fadda M**, Kanj M, Kabakian-Khasholian T, Schulz PJ (2016). Assessing health literacy in the Arab world. Validation of three measurement tools. *Health Promotion International*, daw079. doi: 10.1093/heapro/daw079.
26. **Fadda M**, Galimberti E, Carraro V, Schulz PJ (2016). What are parents' perspectives on empowerment in the MMR vaccination decision? A focus group study. *BMJ Open*, 6(4), e010773. doi: 10.1136/bmjopen-2015-010773.

27. **Fadda M**, Depping MK, Schulz PJ (2015). Addressing issues of vaccination literacy and psychological empowerment in the measles-mumps-rubella (MMR) vaccination decision-making: A qualitative study. *BMC Public Health*, 15(836), 1-13. doi: 10.1186/s12889-015-2200-9.
28. **Fadda M**, Allam A, Schulz PJ (2015). Arguments and sources on Italian online forums on childhood vaccinations: Results of a content analysis. *Vaccine*, 33(51), 7152-7159. doi: 10.1016/j.vaccine.2015.11.007.

### **Contribution to international conferences**

1. Merlo F, Malacrida R, Hurst-Majno S, Bassetti CLA, Albanese E, **Fadda M** (2021, August). Physicians' acceptance of the Swiss Academy of Medical Sciences guidelines "COVID-19 pandemic: triage for intensive-care treatment under resource scarcity?". Swiss Public Health Conference. Bern, Switzerland.
2. Falvo I, Albanese E, Caiata-Zufferey M, **Fadda M** (2021, August). Between ambivalence and stigmatization: Lived experiences of older adults living in southern Switzerland during the first covid-19 lockdown. Swiss Public Health Conference. Bern, Switzerland.
3. **Fadda M**, Camerini AL, Fiordelli M, Corna L, Levati S, Amati R, Crivelli L, Albanese E, Suggs LS (2021, August). COVID-19 vaccine hesitancy and SARS-CoV-2 seropositivity in Southern Switzerland – evidence from the Corona Immunitas study. Swiss Public Health Conference. Bern, Switzerland.
4. Merlo F, Malacrida R, Hurst S, Bassetti C, Albanese E, **Fadda M** (2021, June). Physicians' decision-making when managing pediatric patients with prolonged disorders of consciousness: A qualitative study. 10a Giornata della Ricerca della Svizzera italiana. Lugano, Switzerland.
5. Ibnidris A, Piumatti G, Carlevaro F, Fadda M, Magno F, Magistro D, Albanese E (2021, June). The Italian version of the Short 10/66 Dementia Diagnostic Schedule: A validation study. 10a Giornata della Ricerca della Svizzera italiana. Lugano, Switzerland.
6. Bezani K, **Fadda M**, Amati R, Fiordelli M, Albanese E, Suggs LS, Caiata-Zufferey M (2021, June). COVID-19 vaccination attitudes, beliefs and experiences among healthcare and social workers in Ticino. 10a Giornata della Ricerca della Svizzera italiana. Lugano, Switzerland.
7. Falvo I, Caiata-Zufferey M, Albanese E, **Fadda M** (2021, June). Lived experiences of older adults during the first COVID-19 lockdown: a qualitative study. 10a Giornata della Ricerca della Svizzera italiana. Lugano, Switzerland.
8. Melotto M, Camerini AL, Caiata-Zufferey M, Puhan MA, Albanese E, **Fadda M** (2021, June). Parenting during the lockdown: A scoping review. 10a Giornata della Ricerca della Svizzera italiana. Lugano, Switzerland.
9. Pacifico D, Fiordelli M, **Fadda M**, Franscella G, Albanese E (2021, June). Dementia awareness and knowledge in two Italian-speaking regions: Ticino and Piedmont. 10a Giornata della Ricerca della Svizzera italiana. Lugano, Switzerland.
10. **Fadda M**, Falvo I, Albanese E, Caiata-Zufferey M (2021, April). Lived experiences of older adults living in Ticino during the Covid-19 lockdown. Journée d'étude IDESO. University of Geneva.
11. Ibnidris A, **Fadda M**, Fiordelli M, Albanese E (2020). A multi-domain intervention to prevent cognitive decline in older adults at risk of dementia in Switzerland: A randomized clinical trial. Swiss Public Health Conference. [poster]
12. Falvo I, Albanese E, Caiata-Zufferey M, **Fadda M** (2020). Older adults' representation and management of the risk of covid-19: A qualitative study. International Conference on Communication in Healthcare. Vienna, Austria.
13. Ibnidris A, **Fadda M**, Fiordelli M, Albanese E (2020). A multi-domain intervention prevent cognitive decline in older adults at risk of dementia in Switzerland: A randomized clinical trial. Swiss Public Health Conference. Zurich, Switzerland. [poster]
14. **Fadda M**, Fiordelli M, Amati R, Albanese E (2020). Disclosure of individual-specific results to participants of a dementia prevalence study: A qualitative study. Alzheimer's Association International Conference (AAIC). Amsterdam, The Netherlands. [interactive poster]
15. **Fadda M**, Fiordelli M, Amati R, Albanese, E (2020). For the sake of informed participation: Development of two audio-visual aids for informed consent to a dementia prevalence study through participatory action research. Alzheimer's Association International Conference (AAIC). Amsterdam, The Netherlands. [interactive poster]
16. **Fadda M**, Fiordelli M, Amati R, Albanese E (2020). Dementia awareness in Southern Switzerland among older adults. Alzheimer's Association International Conference (AAIC). Amsterdam, The Netherlands. [interactive poster]
17. **Fadda M**, Fiordelli M, Amati R, Albanese E (2020). Development of two audio-visual aids for informed consent to a dementia prevalence study. International Conference on Communication in Healthcare. Vienna, Austria.
18. Mardesic I, Sykora M, Elayan S, Lowe S, **Fadda M**, Morese R, Albanese E, Lautenbach S, Gruebner O (2020). Stress, emotions, and activity spaces in New York City social media data in the context of a large-scale disaster. MoHeaP 2020: Workshop on Mobility, Health, and Place. Zurich, Switzerland.
19. Merlo F, **Fadda M**, Albanese E, Bassetti C, Malacrida R (2020). Ethical decision-making in the management of pediatric patients with severe disorders of consciousness: A qualitative study. 6<sup>th</sup> Congress of the European Academy of Neurology. Paris, France.
20. **Fadda M**, Ibnidris A, Franscella G, Fiordelli M, Albanese E (2020). Development of a dementia awareness online survey through local stakeholders' involvement. 34<sup>th</sup> International Conference of Alzheimer's Disease International. Singapore.
21. **Fadda, M.**, Ibnidris, A., & Albanese, E. (2020, accepted). Preferences regarding the return of research findings in a population-based study on dementia: Implications for the informed consent. 34<sup>th</sup> International Conference of Alzheimer's Disease International. Singapore.
22. Ibnidris A, **Fadda M**, Gai A, Carlevaro F, Magistro D, Magno F, Simon M, Piumatti G, Albanese E (2020, accepted). The 10/66 short Dementia Diagnostic Schedule in Nursing Homes: A Validation Study. 34<sup>th</sup> International Conference of Alzheimer's Disease International. Singapore.
23. **Fadda M**, Mardesic I, Sykora M, Elayan S, Puhan M, Albanese E, Gruebner O (2019). Ethical and legal issues involved in conducting studies on mental health using social media data. Examples from the M-HEALTH project.

- 1<sup>st</sup> International Workshop on Legal and Ethical Issues in Crowdsourced Geographic Information. Zurich, Switzerland.
24. **Fadda M**, Galimberti E, Romanò L, Zanetti A, Schulz PJ (2018, accepted). Development and RCT of a smartphone app to increase parental knowledge and empowerment on the MMR vaccination. 8<sup>th</sup> International Digital Health Conference. Lyon, France.
  25. **Fadda M**, Galimberti E, Fiordelli M, Schulz PJ (2018, accepted). Evaluation of an app to increase parents' knowledge about the MMR vaccination and their empowerment. 16<sup>th</sup> International Conference on Communication in Healthcare. Lisbon, Portugal.
  26. **Fadda M**, Haeusermann T, Blasimme A, Greshake Tzovaras B, Vayena E. (2018, accepted). What is at stake? A qualitative study exploring privacy among users who openly share their genomic data online. European Human Genetics Conference. Milan, Italy.
  27. Camerini AL, **Fadda M**, Diviani N, Schulz PJ (2017). Evidenzbasierte Gesundheitskommunikation im Kontext der MMR-Schutzimpfung: Was können wir von der Protection Motivation Theory dazulernen? 2<sup>nd</sup> Annual DGPK-Fachgruppe Gesundheitskommunikation. Erfurt, Germany.
  28. **Fadda M**, Galimberti E, Romanò L, Zanetti A, Schulz PJ (2016, accepted). Validation of a parental psychological empowerment scale in the context of the vaccination decision. 14<sup>th</sup> International Conference on Communication in Healthcare (ICCH). Heidelberg, Germany.
  29. **Fadda M**, Galimberti E, Romanò L, Zanetti A, Schulz PJ (2016). Development of a gamification app to increase parent's knowledge about measles and MMR. 14<sup>th</sup> International Conference on Communication in Healthcare (ICCH). Heidelberg, Germany.
  30. **Fadda M**, Allam A, Schulz PJ (2015). Opinion leaders and opinion change in Italian online forums discussing childhood vaccinations: A content analytic approach. 3<sup>rd</sup> Convention of DGPK's Ad-Hoc Group in Health Communication. Lugano, Switzerland.
  31. **Fadda M**, Kanj M, Kabakian-Khasholian T, Schulz PJ (2015, accepted). Health literacy among Arabic speakers living in Lebanon: A validation study. 7<sup>th</sup> Health Literacy Research Conference. Bethesda, United States.
  32. **Fadda M**, Galimberti E, Schulz PJ (2015, accepted). Vaccination literacy and psychological empowerment in the context of the measles-mumps-rubella (MMR) vaccination decision. Development of a measurement tool. 3<sup>rd</sup> European Health Literacy Conference. Brussels, Belgium.
  33. **Fadda M**, Kanj M, Kabakian-Khasholian T, Schulz PJ (2015, accepted). Functional health literacy in Lebanon: Validation of three health literacy assessment tools in Arabic. 3<sup>rd</sup> European Health Literacy Conference. Brussels, Belgium.
  34. **Fadda M**, Allam A, Schulz PJ (2015). Online debates on pediatric vaccinations: Exploring the arguments and sources of information on Italian forums through content analysis. 13<sup>th</sup> International Conference on Communication in Healthcare. New Orleans, United States.
  35. **Fadda M**, Galimberti E, Schulz PJ (2015). Towards the development of a psychological empowerment scale in the context of the MMR vaccination decision making. Results from a focus group study. 13<sup>th</sup> International Conference on Communication in Healthcare. New Orleans, United States.
  36. **Fadda M**, Allam A, Schulz PJ (2015). Internet forums, anti-vaccination campaigners, and parental shifting positions on childhood immunizations. 3<sup>rd</sup> Biennial DC Health Communication Conference. Fairfax, United States. [interactive poster]

  38. **Fadda M**, Kanj M, Kabakian-Khasholian T, Schulz PJ (2014). Assessing health literacy in an Arab country. Preliminary results. 12<sup>th</sup> International Conference on Communication in Healthcare (ICCH). Amsterdam, The Netherlands.
  39. **Fadda M**, Depping MK, Schulz PJ (2014). MMR vaccination decision in Ticino: Assessing parents' reasons through a qualitative study. 12<sup>th</sup> Interdisciplinary Conference on Communication, Medicine & Ethics (COMET). Lugano, Switzerland.
  40. **Fadda M**, Schulz PJ (2014). Health literacy and empowerment in the MMR decision-making: A qualitative study. International Health Communication Symposium. Sassari, Italy.

### **Invited lectures**

1. **Fadda M** (2021, June). Metodi di ricerca qualitativi in ambito sanitario: l'altra faccia della medaglia. DISCO LECTURES. University of Milan.
2. **Fadda M** (2021, May). Legal and ethical challenges of big data in public health. Big Data in Public Health Spring School SSPH+. University of Zurich.
3. **Fadda M**, Fiordelli M, Amati R (2020, December). Cos'è la ricerca qualitativa? Colloquium del Dipartimento di Chirurgia dell'Ente Ospedaliero Cantonale.
4. **Fadda M** (2020, November). Conceptualizing, Measuring and Promoting Health Literacy in the MENA Region. Healthcare Communications in the Middle East. Weill Cornell Medicine-Qatar.
5. **Fadda M** (2020, August). Legal and ethical challenges in big social media data for public health research. Digital Spatial Epidemiology Summer School - Big Data in Public Health Summer School. University of Zurich.
6. Albanese E, El Chammy R, **Fadda M** (2019, August). Health issues in the Levant. MEM Summer Summit Seminar. Università della Svizzera italiana.
7. **Fadda M** (2019, August). Legal and ethical challenges in big social media data for public health research. 11<sup>th</sup> International Summer School Spatial and Digital Epidemiology, University of Zurich.
8. **Fadda M**, Rothenfluh F (2017, May). Information quality of (health) websites, blog monitoring, and app development. MAS in Food Safety Management, University of Basel.
9. **Fadda M** (2016, October). Case study on parents' MMR vaccination decision-making. MSc course in Industry and Institutions perspectives: Stakeholders in the Swiss Health System. Università della Svizzera italiana.

10. **Fadda M** (2015, July). Qualitative research and content analysis in pills. University of Erfurt.
11. **Fadda M** (2015, July). The role of vaccination literacy and psychological empowerment in the MMR vaccination decision-making. Conceptualization and measurement. CEREB Colloquium. University of Erfurt.
12. **Fadda M** (2014, November). Case study on parental MMR vaccination behavior. MSc course in Industry and Institutions perspectives: Stakeholders in the Swiss Health System. Università della Svizzera italiana.
13. **Fadda M** (2014, October). Childhood vaccinations: a conscious choice. Università della Svizzera italiana, Equal Opportunities Services.
14. **Fadda M** (2014, April). Research methods in Arabic sociolinguistics. University of Cagliari.

### **Contribution to grant proposal writing**

- 2020 Between autonomy and public good: Exploring individuals' understanding of the ethical implications of COVID-19 public health response measures (Swiss Academy of Medical Sciences)  
 What are the barriers and facilitators perceived by ICU physicians to use the guidelines "COVID-19 pandemic: triage for intensive-care treatment under resource scarcity" of the Swiss Academy of Medical Sciences (SAMS) in the Canton of Ticino Intensive Care Units (ICUs) involved in COVID-19 response? (Commissione di Etica Clinica dell'EOC – COMEC)  
 Exploring fever-related knowledge and practice among young children's caregivers and healthcare professionals and testing the effectiveness of a culturally sensitive intervention to reduce fever phobia (Fondazione Leonardo)  
 The mental health consequences of COVID-19 - Geographic variation and influencing factors (SNF project funding Div. I-III)  
 A trustworthy infrastructure to support digital data collection and linkage for population health and well-being (SNF NRP77, LoI)  
 Health policy response monitoring for COVID-19 – Public health measures, communication, and emotional stress (SNF Special call on coronavirus)  
 Managing the risk of coronavirus in everyday life. A qualitative analysis of the responses to public health measures of older adults, younger adults and cross-border commuters in Ticino (SNF Special call on coronavirus)
- 2019 Untangling the 5G net(work): Exploration of the key factors driving acceptance and development of a communication measure (SNF Spark)  
 MyDementia – A dialogue between scientists and society (SNF Agora)  
 iSupport – Adaptation to the Canton of Ticino (Canton of Ticino, Pro Senectute)  
 Exploring fever-related knowledge and practice among young children's caregivers and healthcare professionals in two language regions in Switzerland: Paving the way for a culturally sensitive intervention to reduce fever phobia (Bangerter-Rhyner Stiftung)

### **Organization of academic activities**

- 2020 Workshop on "Advanced issues in qualitative research in healthcare", 31<sup>st</sup> March – 1<sup>st</sup> April 2020, Università della Svizzera italiana (SNF funding)

### **Master theses supervision**

- 2020-2021 Chanita Jantranukul (supervisor), Iren Andreeva (supervisor), Ilaria Falvo (supervisor), Matilde Melotto (supervisor), Elizabeth Istomina (co-supervisor), Vinurshia Sellaiah (co-supervisor)

### **Memberships**

Swiss School of Public Health (SSPH+) Fellow

### **Language skills**

Italian (Native proficiency), English (Full professional proficiency), German (Intermediate), French (Working proficiency), Arabic (Intermediate)

### **IT skills**

Microsoft Office (Word, PowerPoint, Excel), NVivo, SPSS

### **Course work and seminars**

- 2020 Writing and publishing a scientific paper - Prof. Emiliano Albanese (Università della Svizzera italiana)
- 2019 Systematic reviews and meta-analyses - PD Dr. med. Giorgio Treglia (University of Lausanne)
- 2016 Moderation and mediation analysis - Prof. Bert Meuffels (University of Amsterdam)  
 Risk communication in the 21st Century - Prof. Kasisomayajula Viswanath (Harvard School of Public Health)  
 Qualitative clinical communication research: Fitting methods to the purpose - Prof. Peter Salmon (University of Liverpool)
- 2015 The analysis of social networks - Prof. Alessandro Lomi & Prof. Garry Robins (Summer School on Advanced Methods in the Social Sciences, Università della Svizzera italiana)  
 Univariate and multivariate analysis of variance - Prof. Bert Meuffels (University of Amsterdam)  
 Traditions of communication sciences - Prof. Jean-Patrick Villeneuve (Università della Svizzera italiana)  
 Judgment and decision-making - Prof. Rajesh Bagchi (Virginia Tech University)  
 Introduction to Structural Equation Modelling (SEM) - Prof. Todd Little (Texas Tech University)  
 The health-literate citizen: A conceptual model and some related tools for research and intervention - Prof. Alessandro Antonietti (Catholic University of the Sacred Heart)  
 Consumer psychology - Prof. Paul M. Herr (Virginia Tech University)
- 2014 Quantitative methods in the communication sciences - Prof. Reto Hofstetter (Università della Svizzera italiana)  
 Multivariate methods - Dr. Kostis Christodoulou (Università della Svizzera italiana)

Introduction to regression - Prof. Brian Schaffner (Essex Summer School in Social Science Data Analysis, University of Essex)

Applying regression - Dr. Jeremy Miles (Essex Summer School in Social Science Data Analysis, University of Essex)

Media, campaigns, and health: An introduction to mediated communication interventions and health behavior change - Prof. Michael P. Slater (The Ohio State University)

Risk perception and social norms - Prof. Rajiv Rimal (George Washington University)

Current trends in Health Communication - Prof. Kasisomayajula Viswanath (Harvard School of Public Health)

Meta-analysis workshop - Prof. Judith A. Hall & Prof. Norah A. Murphy (Northeastern University and Loyola Marymount University)

Constructing theories - Prof. Peter J. Schulz (Università della Svizzera italiana)

Assessing quality of qualitative studies - Prof. Nicky Britten (University of Exeter Medical School)

Talk to the editor. Publishing in Health Communication - Prof. Teresa L. Thompson (University of Dayton)

2013 Philosophy of Science - Prof. Peter J. Schulz (Università della Svizzera italiana)
