

## PERSONAL DETAILS

---

Name Laura Marciano  
 Date of birth 24.06.1991  
 Nationality Italian  
 E-mail laura.marciano@usi.ch  
 Website <http://usi.to/ydx>  
 Phone +41 58 666 4821  
 +41 76 240 6557  
 OrcID 0000-0002-8034-3227  
 Address Via E. Frey 14, 6853, Ligornetto (TI), Switzerland

## EDUCATION

---

- 01/2018 – present **Università della Svizzera italiana (USI)**, Lugano, Switzerland  
 PhD Student at the Institute of Communication and Health  
  
 Thesis title: “Neuroticism and (problematic) digital media use in adolescence: From cross-sectional associations to individual longitudinal effects”  
  
 Supervisor: Prof. P.J. Schulz (USI), Co-Supervisor: Dr. A.L. Camerini  
 Board: Prof. Patti Valkenburg (University of Amsterdam), Prof. Jörg Matthes (University of Zurich), Prof. Sara Greco (Università della Svizzera italiana)  
  
*The doctoral defense will take place in October 2021*
- 10/2016 **Master Degree in Psychology, Curriculum in Cognitive Neuroscience**, Vita-Salute San Raffaele University, Milan, Ital  
 Thesis title: “*Obsessive-Compulsive Disorder: a meta-analysis and an evidence-based neuropsychological model using Structural Equation Modeling*”  
 Supervisor: Prof. Clelia Di Serio, Co-Supervisor: Dr. Riccardo M. Martoni  
 Degree Grade: 110/110 cum Laude et Menzione ad Honorem
- 10/2014 **Bachelor Degree in Psychology**, Vita-Salute San Raffaele University, Milan, Italy  
 Thesis title: “*L’inconscio tra psicoanalisi e neuroscienze: un approccio interdisciplinare*”  
 Supervisor: Prof. Lucio Sarno, Co-Supervisor: Dr. Silvio A. Merciai  
 Degree Grade: 110/110 cum Laude

## EMPLOYMENT HISTORY

---

- 01/2018 – present **Università della Svizzera italiana (USI)**, Lugano, Switzerland  
 PhD Student at the Institute of Communication and Health;  
 Teaching Assistant; Supervisors: Prof. P.J. Schulz, Dr. A.L. Camerini
- 4/2017 – 12/2017 **Università della Svizzera italiana (USI)**, Lugano, Switzerland  
 Scientific collaborator; Supervisors: Prof. P.J. Schulz, Prof. Clelia Di Serio
- 10/2016 – 4/2017 **Outpatient clinic, Department of Psychiatry**, Milan, Italy  
 San Raffaele Ville Turro Hospital  
 Internship in psychology; Supervisor: Prof. Laura Bellodi

**University Center for Statistics in the Biomedical Sciences (CUSSB)**

Università Vita-Salute San Raffaele, Milan, Italy

Ad-hoc collaborator; Supervisor: Prof. Clelia Di Serio

**PEER-REVIEWED JOURNAL PUBLICATIONS**

---

1. **Marciano L.**, Camerini A. L. (2021). Recommendations on screen time, sleep and physical activity: associations with academic achievement in Swiss adolescents. *Public Health* (IN PRESS).

## PAPERS SUBMITTED OR UNDER REVISION

---

14. **Marciano L.**, Camerini A.L. (XXXX). Predicting problematic smartphone use from digital trace data in adolescents. *Plos One* (under revision).
15. **Marciano L.**, Schulz P.J., Camerini A.L. (XXXX). How do depression, Internet use, and social connection in adolescence influence each other over time? An extension of the RI-CLPM including contextual factors. *Journal of Adolescence* (under revision)
16. **Marciano L.**, Driver C.C., Schulz P.J., Camerini A.L.: (XXXX). Reciprocal and individual effects of smartphone use on adolescents' well-being: An intensive longitudinal study. *Scientific Reports* (under revision)
17. Camerini A.L., **Marciano L.**, Annoni A.M., Ort A., Petrocchi S. (XXXX). When the timing matters: Exploring the psychophysiological correlates during Instant Messaging among young adults. *Mobile Media & Communication* (under revision)

## PEER-REVIEWED CONFERENCE PAPERS

---

18. **Marciano L.**, Schulz P. J., Camerini A. (2021) How do depression, Internet use, and social connection in adolescence influence each other over time? An extension of the RI-CLPM including contextual factors. Conference proceedings. *71st Annual Conference of the International Communication Association (ICA)*. Denver, United States. 27th-31st May
19. **Marciano L.**, Camerini A., Morese R. (2021) The developing brain in the digital era: A systematic narrative review of structural and functional correlates of screen time in adolescence. Conference proceedings. *71st Annual Conference of the International Communication Association (ICA)*. Converted from United States to virtual due to COVID-19. 27th-31st May
20. **Marciano, L.**, & Camerini, A.L. (2020). Predicting problematic smartphone use from digital trace data and time distortion in adolescents. *70th Annual ICA Conference organized by the International Communication Association*. Converted from Australia to virtual due to COVID-19. 21st-25th May.
21. **Marciano, L.**, Camerini, A.L.; & Schulz, P.J. (2020). Neuroticism in the digital age: A meta-analysis. *70th Annual ICA Conference organized by the International Communication Association*. Converted from Australia to virtual due to COVID-19. 21st-25th May.
22. Antonietti, C., Camerini, A.L., **Marciano, L.** (2020). Intra- and interpersonal predictors of social appearance anxiety in adolescence: A longitudinal study of self-esteem, social closeness, and the mediating role of coping. *70th Annual ICA Conference organized by the International Communication Association*. Converted from Australia to virtual due to COVID-19. 21st-25th May.
23. Petrocchi, S., **Marciano, L.**, Annoni, A.M., & Camerini, A.L. (2020). "What you say and how you say it" matters: An experimental evidence of the role of synchronicity, modality, and message valence during smartphone-mediated communication. *70th Annual ICA Conference organized by the International Communication Association*. Converted from Australia to virtual due to COVID-19. 21st-25th May.
24. Annoni, A.M., **Marciano, L.**, Petrocchi, S., & Camerini, A.L. (2020). The role of dispositional trust, social anxiety and smartphone use in predicting smartphone addiction. *70th Annual ICA Conference organized by the International Communication Association*. Converted from Australia to virtual due to COVID-19. 21st-25th May.

25. **Marciano, L., Schulz, P.J., & Camerini, A.L. (2019).** Cyberbullying in youth: A meta-analysis of longitudinal studies. *69th Annual ICA Conference organized by the International Communication Association, Washington DC, United States.* 24th-28th May.
26. Camerini, A.L., Carrara, A., **Marciano, L., & Schulz, P.J. (2019).** Cyberbullying and cyber-victimization among children and adolescents: A systematic review of longitudinal studies. *69th Annual ICA Conference organized by the International Communication Association, Washington DC, United States.* 24th-28th May.
27. Camerini, A.L., & **Marciano, L. (2019).** The longitudinal relationship between smartphone use, smartphone addiction and depression in adolescents: An application of the RI-CLPM. *69th Annual ICA Conference organized by the International Communication Association, Washington DC, United States.* 24th-28th May.
28. **Marciano, L., Camerini, A.L., & Schulz, P.J. (2018).** Health literacy and diabetes-related outcomes: A meta-analysis. *68th Annual ICA Conference organized by the International Communication Association, Prague, Czech Republic.* 24th-28th May.
29. **Marciano L. (2018)** "MEDIATICINO 2.0: Mobile media in the life of adolescents: a longitudinal study using digital trace and survey data". Mobile Communication Interest Group (MCIG) of the ICA, *Doctoral Consortium.* Prague, Czech Republic. 24-28 May.

## ORAL CONFERENCE PRESENTATIONS

---

30. Camerini A., Amati R., Albanese E., **Marciano L. (2021)** The impact of screen time and green time on the mental wellbeing of children and adolescents: Insights from the Corona Immunitas Ticino study. Swiss Public Health Conference. Bern, Switzerland. 24th-26th August (extended abstract presentation)
31. **Marciano L., Camerini A., Morese R. (2021)** The developing brain in the digital era: A systematic narrative review of structural and functional correlates of screen time in adolescence. 10a Giornata della Ricerca in Medicina Umana della Svizzera italiana. Lugano, Switzerland. 25th June 2021 (online poster session)
32. Camerini A., Annoni A. M., **Marciano L., Ort A., Fahr A., Petrocchi S. (2020)** Alles eine Frage der Zeit? – Eine experimentelle Studie zum Einfluss von Asynchronität und Valenz auf das Erlebnis und die wahrgenommene soziale Präsenz des Anderen beim Instant Messaging. *46th Annual Conference organized by the Swiss Association of Communication and Media Research (SACM).* Winterthur, Switzerland. 20th November. (extended abstract oral presentation)
33. Rizzo G., **Marciano L., Schulz P.J. (2020).** Using the Theory of Planned Behaviour (TPB) to predict gambling and online gaming behaviours in young adults. Accepted to the *16th World Congress on Public Health.* Rome, Italy. 12nd -16th October.
34. Camerini, A.L., & **Marciano, L. (2020).** Cyberbullying perpetration, victimization, and bystander in adolescence: What is the role of social networking sites? *65th Annual Conference of the German Communication Association (DGPK),* Munich, Germany. 10th -12th March. (extended abstract oral presentation)
35. Panico F., **Marciano L. (2020).** Media addiction and personality factors: a systematic review and meta-analysis. *65th Annual Conference of the German Communication Association (DGPK),* Munich, Germany. 10th-12th March. (extended abstract oral presentation)
36. **Marciano, L., Schulz, P. J., Camerini, A.L. (2019).** Time online, time with friends: How do they influence depressive symptomatology over time? A random-intercept longitudinal panel model on adolescents in Switzerland. *1st European Conference on Health Communication (EHC),* Zurich, Switzerland (**Best proposal award**). 13th-15th November (extended abstract oral presentation)
37. Antonietti C., Camerini A., **Marciano L. (2019)** Protective factors of perceived stress in adolescence: A moderated mediation model of self-esteem, adaptive coping, and social support. *European Conference on Health Communication.* Zurich, Switzerland. 13th-15th November (poster presentation)

38. Annoni A. M., **Marciano L.**, Petrocchi S., Camerini A. (2019) "Control yourself and don't trust anybody!": A moderated mediation model of impulsivity, social anxiety, and dispositional trust and their relationship to smartphone use and addiction in young adults. *European Conference on Health Communication. Zurich, Switzerland*. 13th-15th November (extended abstract oral presentation)
39. Camerini A., **Marciano L.** (2019) Der Einfluß von Online- und Offline-Aktivitäten auf die schulischen Leistungen: Eine latente Klassenanalyse mit Längsschnittdaten der Mittelschüler im Kanton Tessin (within Panel on "Children's and young people's media use and communication practice in times of digital transformation"). *Annual Conference organized by the Swiss Association of Communication and Media Research (SACM)*. St. Gallen, Switzerland. 4th-5th April (extended abstract oral presentation)
40. **Marciano L.**, Camerini A. (2019) Social network use in adolescents: The impact of DSM-5 personality conceptualization and social motivations. *Annual Conference organized by the Swiss Association of Communication and Media Research (SACM)*. St. Gallen, Switzerland. 4th-5th April (extended abstract oral presentation)
41. **Marciano, L.**, & Camerini, A.L. (2019). Screen time, sleep, and physical activity: Associations with academic achievement in Swiss students. *2nd International Conference on Well-being in Education Systems*, Locarno, Switzerland. 12nd-14th November (extended abstract oral presentation)
42. **Marciano, L.**, & Camerini, A.L. (2019). Smartphone overuse, attention problems, and media multitasking: Their associations with academic achievement in Swiss students. *2nd International Conference on Well-being in Education Systems*, Locarno, Switzerland. 12nd-14th November (extended abstract oral presentation)
43. **Marciano, L.**, & Camerini, A.L. (2019). Predicting problematic smartphone use in adolescence: A latent class regression analysis of online and offline activities. *International congress organized by the Children, Youth, and Media (CYM) section within the European Communication Research Association (ECREA)*, Salamanca, Spain. (abstract oral presentation)
44. **Marciano, L.**, & Camerini, A.L. (2019). Personality and self-esteem in adolescence: The mediating role of different social networking activities. *International congress organized by the Children, Youth, and Media (CYM) section within the European Communication Research Association (ECREA)*, Salamanca, Spain. 19th-20th September (abstract oral presentation)
45. **Marciano, L.**, Thomas, T., Osgood, N., & Camerini, A.L. (2019). Systematic bias in adolescents' self-report smartphone use: Comparison of three different assessment modes to evaluate the quality of survey data. *8th Conference organized by the European Survey Research Association (ESRA)*, Zagreb, Croatia. 15th-19th July (extended abstract oral presentation)
46. Camerini, A.L., & **Marciano, L.** (2019). Self-selection bias in research including ecological momentary assessment and digital trace data. *8th Conference organized by the European Survey Research Association (ESRA)*, Zagreb, Croatia. 15th-19th July (extended abstract oral presentation)
47. **Marciano L.**, Petrocchi S., Camerini A. (2018) What predicts how well parents know the screen time of their children?: The role of parent-child relationship and communication. *Pre-conference on "Trust, control, and privacy: Mediatization of childhood and adolescence in the digital age" to the 68th Annual Conference of the International Communication Association (ICA)*. Prague, Czech Republic. 23rd May (extended abstract oral presentation)
48. Carrara A., **Marciano L.**, Schulz P. J., Camerini A. (2018) A longitudinal view on cyberbullying among children and adolescents: Systematic review and meta-analysis. *68th Annual Conference of the International Communication Association (ICA)*. Prague, Czech Republic. 24th-28th May (extended abstract oral presentation)
49. **Marciano L.**, Di Serio C. (2017) "A meta-analysis and meta-regression approach to Obsessive-Compulsive Disorder". *9th EMR and Italian Region of IBS conference*, Thessaloniki, Greece. 8th-12nd May (extended abstract oral presentation)

## BOOK CHAPTERS

---

50. Camerini, A.L., & **Marciano, L. (2020)**. Media use and academic achievement. In: J. Van den Bulck (Ed.) *The International Encyclopaedia of Media Psychology*. Wiley-Blackwell.

## OBTAINED GRANTS AND AWARDS

---

**Marciano, L., Schulz, P. J., Camerini, A.L. (2019)**. Time online, time with friends: How do they influence depressive symptomatology over time? A random-intercept longitudinal panel model on adolescents in Switzerland. 1st European Conference on Health Communication (EHC). Zurich, Switzerland (Best Proposal Award)

**USI Equals Opportunity Service (2020)** - one-month PhD salary for stay at ASCoR, University of Amsterdam, under the supervision of Prof. Patti Valkenburg

## SCIENTIFIC PROJECTS

---

I helped in the write-up of the **SNF Digital Lives** project: "*What does smartphone-mediated communication feel like?*" (SNF 10DL1C\_183199) (2018)

I helped in the write-up of the **SNF Agora** project: "*Siete connessi? Verso un uso consapevole dello smartphone tra i bambini e adolescenti [Are you connected? Towards a smartphone use among children and adolescents]?*" (SNF CRAGP1\_200117) (2021)

**SNF Postdoc.Mobility Grant (2021)** – two years fellowship and research grant for staying at the Harvard T.H. Chan School of Public Health, Department of Social and Behavioral Sciences (SBS), under the supervision of Prof. K. Viswanath. Research project title: "The science of youth well-being in the digital era: an intensive longitudinal study"

## EXPERIENCE AS TEACHING ASSISTANT

---

Fall term since 2018	<b>Università della Svizzera italiana</b> , Lugano, Switzerland <i>I nuovi media nella vita dei giovani (introduzione alla revisione sistematica)</i> Elective course (28 hours, 3 ECTS) for 3rd year students of the Bachelor of Science in Communication
Fall term since 2019	<b>Università della Svizzera italiana</b> , Lugano, Switzerland <i>Data Analysis</i> Mandatory course (56 hours, 6 ECTS) for 1st year students of the Master of Science in Communication, Management and Health (MCMH)

## PERSONAL SKILLS AND COMPETENCIES

---

Languages	Italian (mother language)
	English (Proficient – C2) EFSET English Certificate: 73/100 or C2 Proficient (according to the CEFR - Common European Framework of Reference) <a href="https://www.efset.org/cert/LmMho6">https://www.efset.org/cert/LmMho6</a>
	French (Intermediate – B2)

Statistical skills	<p>Excellent use of <b>SPSS</b>, <b>R statistical software</b>, <b>RevMan5</b>, <b>MixWild</b> Basic use of <b>Mplus</b> and <b>MLWiN</b> software</p> <p>2020: participation at the 3-day online workshop “Intensive Longitudinal Methods” taught by Prof. D. Hedeker (organized by Statistical Horizons LLC)</p> <p>2018: participation at the one-week course “Multilevel models: Practical applications” (USI, Lugano, Switzerland)</p> <p>2017: participation at the 3-day workshop “Multivariate statistic with R” (“La Sapienza” University, Rome, Italy)</p> <p>2016: participation at the one-week course “Statistical methodology for basic and applied biologic research with R, part I” (University of Milan, Milan, Italy)</p> <p>2015: participation at the 3-day workshop “Introduction course to R” (“La Sapienza” University, Rome, Italy)</p>
--------------------	---

## REVIEWER ACTIVITIES (SELECTION)

---

Ad-hoc journal reviewer for *Mobile Media & Communication*, *Plos One*, *Frontiers in Psychology*, *Trials*, *Patient Education and Counseling*, *Aggression and Violent Behavior*, *European Journal of Health Communication*, *Social Science Computer Review*, *New Media and Society*, *Personality and Individual differences*, *Human Communication research*, *Addictive Behaviors*, *Prevention Science*

## INSTITUTIONAL RESPONSIBILITIES

---

2015/2016            Master Students' class representative at Vita-Salute San Raffaele University, Milan, Italy

## SUPERVISION OF JUNIOR RESEARCHERS

---

2018- present        Co-supervision of students' theses in the Master in Communication, Management, and Health at USI:

1. Francesca Panico, Thesis title: “*Media Addiction and Personality Factors: A Systematic Review and Meta-Analysis*”, September 2019
2. Giada Rizzo, Thesis title: “*Using the Theory of Planned Behaviour (TPB) to Predict Gambling and Oline Gaming Behaviours of Young Adults*”, January 2020

Co-supervision of students' theses in the Bachelor of Science in Communication at USI:

3. Magalhães Dos Santos Raquel, Thesis title: “*Media digitali e sviluppo cognitivo nei bambini: una revisione sistematica*”, December 2020
4. Deborah Tettamanti, Thesis title: “*Fattori legati all'effetto bystander nel cyberbullismo tra adolescenti: una revisione sistematica*”, December 2020
5. Michelle Ostroumova, Thesis title: “*Uso dei nuovi media e benessere psico-fisico negli adolescenti e giovani adulti durante la pandemia del Covid-19: una revisione sistematica*”, September 2021

Project-related staff co-supervision of junior researchers who started a PhD afterwards on SNF-funded projects: Chiara Antonietti, Anica Ilic, Nicole Bizzotto

## OUTREACH ACTIVITIES (SELECTION)

---

### MEMBERSHIPS

Member of the International Communication Association (ICA)

Member of the organization committee of the ECREA Pre-conference “Children and Adolescents in a Mobile Media World” in collaboration with the ECREA TWG Children, Youth and Media, 31 October 2018, Lugano, Switzerland; keynote Prof. Patti Valkenburg, University of Amsterdam

Member of the panel of experts for re-accreditation of the postgraduate university study programme “Media and Communication” of the University North, Zagreb (Croatia), 2nd- 4th December 2019

Member of the panel of #Apollo15, Riflessioni sul Futuro promoted by Bayer with Vita-Salute San Raffaele University (<https://www.youtube.com/channel/UCFY9NfIRbqUE8kbhKh9S4Hw/featured>)

### INVITED PRESENTATIONS

---

1. Camerini A.L., **Marciano L.**, “Research on smartphones with smartphones: Introducing digital trace data and ecological momentary assessments in research on digital media use and well-being in adolescents”, the University of Lucern, Switzerland (30th September **2019**)
2. Camerini A.L., **Marciano L.**, “MEDIATICINO2.0: A longitudinal study to measure adolescents’ digital media use and well-being”, LA QUALITA’ DELLA VITA IPERCONNESSA: GENERAZIONI A CONFRONTO, Università Milano Bicocca, Italy (3rd July **2019**)
3. **Marciano L.**, Camerini A.L. “Innovative statistical approaches to understand the longitudinal relationships in adolescent development “, LA QUALITA’ DELLA VITA IPERCONNESSA: GENERAZIONI A CONFRONTO, Università Milano Bicocca, Italy (3rd July **2019**)
4. **Marciano L.**, Camerini A.L. “ETHICA: From survey data to trace data”, LA QUALITA’ DELLA VITA IPERCONNESSA: GENERAZIONI A CONFRONTO, Università Milano Bicocca, Italy (3rd July **2019**)

### COMMUNICATION TO THE PUBLIC

---

5. Participation at the **Speakers’ Corner 2020** (<https://luganolivinglab.ch/en/lessonslearned/>), promoted by the Lugano Living Lab for the Swiss Digital Days (November 2020), Lugano, Switzerland
6. Participation to local events such as Media in Piazza (<http://mediainpiazza.ch>) (target: middle school students), 2018, 2019, Lugano, Switzerland
7. Speaker to several invited presentations in schools since 2016 for the project “MEDIATICINO: nuovi media e benessere negli adolescent” (target: middle school headmasters; parents of middle school students). Ticino, Switzerland
8. Co-administrator of a social media channel and a web page linked to the MEDIATICINO project:
  - a. “Mediaticino: Health, Media and Youth in Ticino” (target: general public, scientists and practitioners in the field of digital media and youth), Facebook page since 2019
  - b. MEDIATICINO website (<http://www.mediaticino.usi.ch/it>)
9. Organization of the extra-scholastic activity “Fare Ricerca insieme” in two local middle-schools of Lugano, Switzerland
