Education

- 2007-2010 PhD student in neuroscience at the University of Rome “Tor Vergata”.
2003-2007 Resident at the Dept. of Neurology at University of Rome “Tor Vergata”
1996-2002 Medicine and Surgery, University of Palermo, School of Medicine, Italy

Current positions

- Since 2012 Attending Neurologist (Capoclinica) at the Neurocenter of Southern Switzerland (NSI)

Research experience

- 2012 Research, University of London, Institute of Neurology, Prof. K. Bhatia
2004 Research Fellow, Universities of Toronto, Canada, Prof. WD. Hutchison
Since 2014-2018 Group leader of the Basal Ganglia Research Group at the Laboratory for biomedical neurosciences (LBN)

Titles

- Since 09.2018 Privat Dozent (PD)
2014-2020 Qualification as Associate Professor in Italy

Editorial Boards of peer-reviewed journals

- Since 2017- present Editorial Board, Frontiers in Neurology
Since 2014- present Editorial Board, CNS Neuroscience & Therapeutics
Since 2013- present Editorial Board, Journal of Neuroscience Methods

Membership of Scientific Societies

- Since 2018 - present Swiss Movement Disorders Society (SMDS)
Since 2017- present Swiss Society for Sleep Research, Sleep Medicine and Chronobiology (SSSSC)
Since 2017- present Swiss Society for Neuroscience (SSN)
Since 2017- present Mediterranean Neuroscience Society (MNS)

Honors and Awards

- 2016 Giornata della ricerca 2016 della Svizzera Italiana, prize for the best neuroscience publication of the 2015
- 2014 Fondazione Neuroscienze Ticino (FNT) prize for the best translational neuroscience publication
- 2012 Déjérine-Dubois preis, Swiss Neurology Society
