

## PERSONAL INFORMATION

---

Date and place of birth 15.08.1981 (Galatina, Italy)  
Nationality Italian  
Mailing address Fondazione Cardiocentro Ticino, Via Tesserete 48, CH-6900 Lugano, Switzerland  
E-mail giulio.conte@cardiocentro.org  
Business phone + 41 91 805 33 50  
Languages Italian, English, French, Spanish  
OrcID orcid.org/0000-0003-2248-3456 / H-index (SCOPUS; 26.12.2020): 26  
Peer-reviewed scientific publications: 141

## ACADEMIC APPOINTMENTS

---

10.06.2021: Professor of Medicine, Faculty of Biomedical Sciences, Università della Svizzera italiana, Lugano, Switzerland  
01.09.2019: Honorary Visiting Professor, Faculty of Medicine and Pharmacy of Vrije Universiteit Brussel, Brussels, Belgium  
15.12.2018: Privatdozent, Università della Svizzera Italiana Lugano, Switzerland  
24.03.2015: Ph.D. degree in Medical Sciences, Vrije Universiteit Brussel (VUB), Brussels, Belgium

## HOSPITAL APPOINTMENTS

---

Since Mar 2014: Medico capoclinica, senior cardiac Electrophysiologist, Division of Cardiology, Cardiocentro Ticino Institute, Lugano, Switzerland  
Aug 2013/Feb 2014: Staff Physician, Heart Rhythm Management Centre, Vrije Universiteit Brussel, Belgium  
Aug 2011/Jul 2012: Assistant Staff Physician, Cardiology Department, University Hospital of Parma, Italy

## EDUCATION & POST-GRADUATE TRAINING

---

2016: Clinical Fellowship, Brigham and Women's Hospital, Harvard Medical School, Massachusetts, Boston, US  
2015: Clinical Electrophysiology EHRA Certified Electrophysiology Specialist (ECES) Advanced level  
2013-2014: Post-graduate training in Cardiac Electrophysiology and Pacing, Heart Rhythm Management Centre, Brussels, Belgium  
2012-2013: EHRA Advanced Program Training Fellowship for Clinical Electrophysiology with emphasis on Catheter Ablation, Heart Rhythm Management Centre, Brussels, Belgium  
2011-2013: University Master in Clinical Cardiac Electrophysiology, Universidad CEU San Pablo, Madrid, Spain  
2007-2011: Specialization in Cardiology, Università degli Studi di Parma, Italy (mark: 50/50 *magna cum laude*)  
2007-2008: Clinical fellowship, Arrhythmias Unit, Hospital Clinic, Barcelona, Spain  
2000-2006: Medical studies (MD degree: 2006; mark: 110/110 *magna cum laude*), Università di Parma, Italy

## INSTITUTIONAL SCIENTIFIC RESPONSIBILITIES

---

Since 2018: Project leader of SNF Ambizione program (PZ00P3\_180055; CHF 997'168)  
2018-2020: Project leader of investigator-initiated trials on "Validation of a new S-ICD algorithm for patients with Brugada syndrome" and "High-density mapping in Brugada syndrome" (Boston Scientific Inc., total funding CHF 250'000).  
Since 2018: Responsible of Inherited Heart Rhythm Cardiac Disorders Program, Cardiocentro Ticino Institute, Ente Ospedaliero Cantonale, Lugano, Switzerland  
Since 2014: Clinical scientist, Centre for Computational Medicine in Cardiology, Università della Svizzera Italiana, Lugano, Switzerland  
Since 2014: Project coordinator Advanced ECG Reading Core Lab, SNF Swiss AF registry

## ACTIVITIES IN SCIENTIFIC SOCIETIES

---

Since 2020: Co-Chair of European Heart Rhythm Association (EHRA) Scientific Initiatives Committee  
Since 2020: Committee member of European Cardiac Arrhythmia Genetics' Focus Group (ECGen) of European Heart Rhythm Association (EHRA)  
Since 2020: Member of Swiss working group on sudden cardiac death  
Since 2019: Member of the Swiss EEGC Team (Question writers for the ESC European Exam in General Cardiology 2020)

*Since 2017:* Working group member of “Herzschrittmacher und Elektrophysiologie der SGK” (Swiss Society of Cardiology)

*2018-2020:* European Heart Rhythm Association (EHRA) Scientific Initiatives Committee member

*2017-2018:* European Heart Rhythm Association (EHRA) Young EP Committee member 2017-2018
