Skills

I am a precise, organized person who is always applied in what she has to do. I always manage time efficiently and have excellent organizational skills. I am also rich in initiative and desire to discover new things, I do not stop at obstacles but always try to overcome them.

Personal interests

I really enjoy sports: I go to the gym; I also like climbing and skiing. In fact, I am passionate about everything related to fitness, health, wellness and nutrition. I also love writing very much; I started at the age of five to make up stories and poems and haven't stopped since. Besides that, I am passionate about politics and also politically active.
