Curriculum Vitae - Giuliano Masiero

PERSONAL DETAILS

Academic position: Full professor of Economics

Affiliation: Department of Economics (DSE), University of Bergamo
Address: Via dei Caniana, 2 – 24127 Bergamo
Phone: +39 (0)35 2052 045
Email: giuliano.masiero@unibg.it

External affiliation: Institute of Economics (IdEP), USI - Università della Svizzera italiana
Address: Via Buffi, 13 – 6900 Lugano (CH)
Phone: +41 (0)58 666 4731
Email: giuliano.masiero@usi.ch

ORCID ID: 0000-0001-5480-0829

RESEARCH FIELD

My main research area is health economics and applied microeconomics, with a particular focus on policy aspects, through the application of econometric methods. Particular attention has been devoted to the investigation of competition in primary care, antibiotic demand and bacterial resistance, efficiency in long-term care and local public transports, and more recently the effects of natural disasters on elections and antidepressant drugs, air pollution and environmental shocks on health.

EDUCATION

- 1994 – BSc Economics, Catholic University, Milan
- 1996 – MSc Health Economics, University of York
- 1997 – MSc Economics, University of Ancona
- 2000 – Doctoral degree in Economics, University of Ancona
- 2002 – DPhil Economics, University of York

ACADEMIC POSITIONS

- 1998-1999 – Teaching fellow, Department of Economics & Related Studies, University of York
- 2000-2002 – Post Doc, Department of Economics and Management (DEPA), University of Milan - Statale
- 2003-2005 – Scientific collaborator, Institute of Microeconomics and Economics of Public Sector (MecoP), USI - Università della Svizzera italiana
- 2003-2016 – Assistant professor of Economics (SECS-P/01), Department of Management, Information and Production Engineering (DIGIP), University of Bergamo
- 2006-present – Scientific collaborator and lecturer, Institute of Economics (IdEP), USI
- 2017-2020 – Associate professor of Economics (ECON-01/A), DIGIP, University of Bergamo
- 2021-2025 – Associate professor of Economics (ECON-01/A), DIGIP, University of Bergamo
- 2025-present – Full professor of Economics (ECON-01/A), DSE, University of Bergamo

ABILITAZIONI SCIENTIFICHE NAZIONALI

Italian scientific qualification as Full Professor in:

- Public Economics (ECON-03/A), Legal soundness: April 4, 2017 – April 4, 2027
- Political Economy (ECON-02/A), Legal soundness: February 6, 2023 – February 6, 2033
- Economics (ECON-01/A), Legal soundness: June 5, 2023 – June 5, 2034

TEACHING EXPERIENCE

- 1998-1999 – Microeconomics and Econometrics tutorials for undergraduates (20 hours), Department of Economics & Related Studies, University of York
- 2000-2003 – Microeconomics tutorials for undergraduates (24 hours), DEPA, University of Milan - Statale
- 2003 – Health Economics lectures (12 hours), Master in Public Economics – Catholic University, Milan and Master in Public Health, University "Carol Davila", Bucharest
- 2003-2004 – Industrial Economics tutorials (24 hours), Bachelor in Management Engineering, University of Bergamo
- 2003-2020 – Lectures of Public Economics for undergraduates (12 hours), Bachelor in Economics, USI
- 2003-present – Lectures (biennial) of Health Economics (12 hours), Executive Master in Economics and Health Care Management, Net-MEGS, USI
- 2004-2006 – Lectures of Health Economics (6 ECTS), Master in Health Economics, Catholic University, Rome
- 2004-2010 – Lectures of Health Economics (6 ECTS), Master in Management Engineering, University of Bergamo
- 2005-2019 – Lectures of Industrial Organization (6 ECTS), Master in Management Engineering, University of Bergamo
- 2006-2010 – Lectures of Industrial Organization (6 ECTS), Master in Corporate Communication, Marketing and Management, USI
- 2006-present – Lectures (biennial) of Health Policy and the Role of Government (6 hours), PhD program in Health Economics and Policy, Swiss School of Public Health (SSPH)
- 2011-2017 – Lectures of Welfare and Market Regulation (6 ECTS), Master in Management Engineering, University of Bergamo
- 2011-2024 – Lectures of Managerial Economics (6 ECTS), Master in Corporate Communication, Marketing and Management, USI
- 2016-2023 – Lectures of Health Economics (9 ECTS), Bachelor in Engineering of Health Technologies, University of Bergamo
- 2018-2020 – Lectures of Applied economics: Health economics (6 hours), Doctoral course in Applied Economics and Management (AEM), University of Bergamo and Pavia
- 2018-2021 – Lectures of Market regulation & Health care (6 ECTS), Master in Management Engineering, University of Bergamo
- 2019-2023 – Lectures of Health economics and Policy (6 ECTS), Master in Engineering of Health Technologies, University of Bergamo; Lectures on Health care market imperfections (8 hours), Master EMAS: Economia e Management della Sanità, Cà Foscari Challenge School, University Cà Foscari, Venice
- 2023 – Lectures of Principles of Economics (4.5 ECTS), Bachelor in Business Economics, Lectures of Microeconomics (4.5 ECTS), Bachelor in Economics, University of Bergamo

- 2023-2025 – Lectures of Health Management & Economics (8 hours), Master in Medicine, USI
- 2023-present– Lectures of Foundations of Economics (9 ECTS), Bachelor in Management Engineering, University of Bergamo
- 2024-present– Lectures of Health Economics (6 ECTS), Bachelor in Engineering of Health Technologies, University of Bergamo; Lectures of Principles of Economics and sustainable development (6 ECTS), Bachelor in Economics, USI
- 2025-present – Lectures of Epidemiology and Policy Decision (3 ECTS), Master in Engineering and Management for Health, University of Bergamo; Lectures of Managerial Economics (3 ECTS), Master in Management, USI

OTHER ACTIVITIES

- 1995-1997 – Project assistant for the DRGs remuneration system pilot study, National Neurological Institute "Carlo Besta", Milan
- 1998 – Reviewer of studies for the NHS Economic Evaluation Database, Centre for Review and Dissemination (CRD), University of York
- 2000-2001 – Organizer of the 1st and 2nd workshop on: "Patient's choice and incentives for doctors", DEPA - Università degli studi di Milano, 17 November 2000 and 16 November 2001
- 2009 – Organizer of the annual workshop of the Italian Health Economics Association: 29-30 October 2009, Bergamo
- 2018 – Co-organizer of the Summer School in Applied Health Econometrics and Health Policy (AHEHP), University of Bergamo
- 2019 – Member of the Commission for the selection of PhD candidates, AEM doctoral program, University of Bergamo and Pavia, July 2019
- 2019-2023 – Organizer and Director of the Summer School in Applied Health Econometrics and Health Policy (AHEHP), University of Bergamo (in collaboration with USI Lugano, CHE - University of York and NICA – National Innovation Centre on Ageing, Newcastle)
- 2021-2022 – Member of the Joint Committee (Commissione paritetica docenti studenti), DSE, University of Bergamo
- 2022-2023 – Member of the institutional strategic think-tank on Health (Tavolo Salute), University of Bergamo
- 2023 – Member of the Commission for the selection of PhD candidates, Health & Longevity doctoral program, University of Bergamo
- 2023-2024 – Member of the Educational Guidance Commission (Commissione orientamento), DSE, University of Bergamo
- 2024 – Deputy coordinator of the Doctoral program in Health & Longevity, University of Bergamo

AWARDS AND FUNDED PROJECTS

- 2000 – Best PhD Thesis Award in Economics, Italian Economics Society (SIE), 2000
- 2003-2006 – Project manager, Project title: Economic analysis of outpatient antibiotic consumption, NRP49 Program (Antibiotic resistance), Swiss National Science Foundation (SNF), Applicant: Prof. M. Filippini
- 2005-2007 – Coordinator for the Economic/Regional subproject of the European Surveillance of Antimicrobial Consumption Project, financed by the Directorate General for Health & Consumers (SANCO), European Commission

- 2010-2013 – Project co-applicant (with Prof. M. Filippini), Project title: Productive efficiency in non-profit and public nursing homes, PRO*DOC Program PDFMP1_124885, Swiss National Science Foundation (SNF)
- 2017 – Grant FFABR 2017. Fondo per il finanziamento delle attività base di ricerca. The fund has been granted by the Italian Ministry of Education (3000 euros).
- 2015-2019 – Project co-applicant (with Prof. F. Mazzonna and Prof. M. Filippini), Project title: An Economic analysis of antidepressant use, Swiss National Science Foundation (SNF)

PHD MEMBERSHIP AND SUPERVISION OF PHD STUDENTS

Member of the following PhD programs:
- Economics and Management of Technology (EMT), University of Bergamo - cycle 32
- Applied Economics and Management (AEM), University of Bergamo - cycles 33-38
- Health and Longevity, University of Bergamo - cycles 39-41

Supervision:
- 1 PhD student in the EMT program, cycle 32;
- Co-supervision: 4 PhD students at USI

VISITING RESEARCH

Visiting researcher at the following institutions/universities:
- CHE - University of York (UK), Summer 2002-2006
- IdEP, USI - Università della Svizzera italiana, on a regular basis from 2003

SCIENTIFIC ASSOCIATIONS AFFILIATION

- International Health Economics Association (iHEA)
- European Health Economics Association (EuHEA)
- Italian Economics Association (SIE)
- Italian Health Economics Association (AIES)

EDITORIAL ACTIVITIES

Referee for the following international journals:

Applied Economics, BMJ, Economic Modelling, Economia Pubblica, Energy Economics, European Journal of Health Economics, Infection, Journal of Antimicrobial Chemotherapy, Italian Journal of Applied Statistics, Journal of Economic Studies, Journal of Health Economics, Journal of Public Economics, Journal of Productivity Analysis, Health Economics, Health Policy, Labour: Review of Labour Economics and Industrial Relations, Pan American Journal of Public Health, PLOS One, Regional Science & Urban Economics, Rivista di Politica Economica, Transport Economics & Policy, Transportation Research Part A

2022-2024 Review Editor on the Editorial Board of Frontiers in Environmental Health - Housing Conditions and Public Health

SCIENTIFIC PRODUCTION

Indicators:

SCOPUS	Documents: 29; Citations: 1210; H-index: 16
GOOGLE SCHOLAR	Documents: 87; Citations: 2152; H-index: 21; i10-index: 23
	From 2021 - Citations: 809; H-index: 17; i10-index: 18
